## HELLO AND WELCOME !

As we approach a brand new millenium, I thought it would be entirely appropriate to focus attention on things of the past. In keeping with the fine (or maybe extra fine) tradition of an individual who is interested in coins, but collects printed materials about them, this would seem to fit a logical scenario -- that of looking backwards (it's great fun)!

So, without further delay, we bring your attention to the fact there are 50 different old-time cataloguers represented in this list. Also, please keep in mind that the **newest** item listed is at least **55 years old!** This represents "the good stuff" in American numismatic literature, so it would behoove you to check each offering very carefully.

All items listed are in stock at the time of compilation and the notable defects have been properly described. We realize condition is an important consideration; but, thankfully, not the primary concern as found in the commercially dominated coin market. The main reason to form a library is for information and research value. Collecting a complete set of something old tends to satisfy the collector "bug", as well.

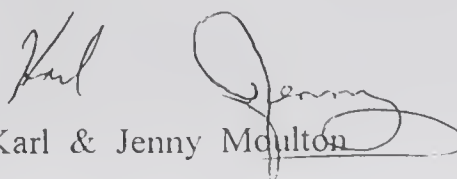

For those looking for the newer material, we would like to remind you that there is still a large selection available from our 78 page July 2000 list. We hope to have a new list of post-WWII material out soon.

Your comments about this format and breakdown of dates are welcome. If it proves to be beneficial to issue two separate lists, we will continue to do so since there are always more being added to the present number.

Speaking of more being added, we'd like to announce that we are in the final stages of finishing a compilation of the major American numismatic catalogues from 1990 to 2000. This will follow Martin Gengerke's fine work on the subject and will continue his numbering system for the sake of continuity. Hopefully it will be ready shortly after the first of the year. Please watch for further announcements.

We hope you will enjoy going through this list of "oldies but goodies". As many of the items are one-of-a-kind, just give us a call or e-mail for fastest results. As always, Jenny and I wish to "THANK YOU" for your continued interest and business.

Best wishes,

  
Karl & Jenny Moulton

## HOW DO YOU WANT TO RECEIVE YOUR PACKAGE?

Here are the options to choose from :

1. **SPECIAL STANDARD (BOOK RATE).** Please send \$2.00 for the first item and \$.75 cents for each additional item along with insurance from the table below; for shipping purposes, count five PR's as one item. This is how most orders will be shipped unless another choice is requested and prepaid. This option takes anywhere from 5 to 30 days for your package to arrive (it can be extremely slow).
2. **PRIORITY MAIL.** Please send \$3.20 for the first item and \$1.00 for each additional item along with insurance from the table below; as mentioned above, five PR's equal one item for shipping charges. It will take 2 to 10 days for your package to arrive as the post office will not guarantee delivery within three days.

**NOTE:** Shipping your order may cost more or less than the estimates above depending upon weight. **You will be charged the actual shipping amount.** Any additional charges will be billed; any prepaid overages will be credited to your account. Insured packages can only be traced after 30 days.

*\*\* Any order of \$25 or more for merchandise keeps you on our mailing list for one entire year. \*\**

**PACKING & HANDLING:** Please add the following charges for the number of items you order:

1 - 5.....	\$ .50 per item
6 - 10.....	\$ 3.00 Total
11 - 20.....	\$ 5.00 Total
21 - 30.....	\$ 6.00 Total
31 - 40.....	\$ 8.00 Total
41 - 50.....	\$10.00 Total
51 or more.....	\$12.00 Total

This helps cover the cost of boxes, strapping tape, packing for the catalogues, labels, etc.  
The charges listed above are, in every case, lower than the per lot fees charged in mail bid sales.

**INSURANCE:** We insure all packages. Please add charges from the table below:

### POST OFFICE INSURANCE

\$ 0.01 to \$ 50 .....	\$0.85
50.01 to 100 .....	1.80
100.01 to 200 .....	2.75
200.01 to 300 .....	3.70
300.01 to 400 .....	4.65
400.01 to 500 .....	5.60
500.01 to 600 .....	6.55

Add \$0.95 cents per additional \$100 of value up to \$5,000.

**NOTE:** All catalogues are in very good to fine condition or better. Notable defects are described. Due to their age and the quality of paper used, the 19<sup>th</sup> century catalogues are quite fragile. HWP indicates Hand-Written Prices. We make every attempt to pack your catalogues to arrive in good shape; but we can't take responsibility for any damage that may occur in transit. Supply is limited to stock on hand. Prices subject to change without notice. Thank you.

See page A for shipping, insurance, and packing/handling charges.

Remember to check the Prices Realized Lists Available section following the catalogue listings. Please state whether you desire an original or a photocopy of a prices realized list when ordering.

The Chapman brothers amicably dissolved their partnership in 1906. Both Henry and Samuel continued cataloguing and attended each others sales. One of the more notable photographs of the Chapmans was taken at the 1912 George Earle sale conducted by Henry Chapman where they are seen flanking John Haseltine, their first boss and long-time friend. A large, 2-page print of it graces the inside cover of John Adams' U.S. Numismatic Literature Vol. I.

### **SAMUEL H. CHAPMAN**

This short run of catalogues (28) from 1907 to 1924 is one of the most challenging series to complete. This is evidenced by the fact that \$9,000 was paid for a plated 1920 Hunter sale in the early 1980's. This record was only broken a year ago when the Henry Chapman bid-book of the 1912 George Earle sale brought \$9,500. As of June 2000 a new record of \$12,000 was established for a plated 1923 Henderson sale. All S.H. Chapman catalogues are legitimate rarities in American numismatics whether plated or not.

(Taped spine) One of the earliest American sales to offer and describe Branch Mint coinage. This was many years before Heaton's 1893 work on the subject. The cataloguers describe hairlines as "pin scratches". Among the scarcer items offered are 1851 & 1858 Seated Dollars in Proof ..... HWP 40.

Such was the life of the Trade Dollar ..... HWP 40.

**01/30/1883 Another copy** (Loose covers). "Private" written on front cover. Perhaps the Bid Book as it is completely **PRICED** and **NAMED**. there was only one U.S. coin catalogued. Possibly unique with names ..... HWP 125.

**03/09/1886 Charles White Part I, 20pp., 506 Lots**  
ex-libris Harry Bass. Printed in red ink. Charles White was the head cashier for the Northampton Bank in Massachusetts. He assembled a remarkable collection of high-grade United States material. The most significant holding in the White collection was the rather large number of early Bust & Seated Quarters. It is because of the White "hoard" that we have so many of these early quarters available in top grades today. For further information about Mr. White and his collection, refer to Q. David Bowers' book *American Coin Treasures and Hoards* pages 75 - 78 ..... HWP 115.

- 11/25/1939 Rare Coins & Medals, 52pp., 1354 Lots (Water stained pages, regrettably, some are stuck together) A typical offering of a little bit of everything ..... 10.
- 06/04/1940 Sale #41, 59pp., 1680 Lots (Writing on rear) United States & Foreign Gold & Silver coins with 5 plates . 20.
- 08/27/1940 ANA, 42pp., 1009 Lots A somewhat scarce early ANA sale ..... 50.
- 10/19/1940 A.C. Gies Half Dollars, 80pp., 1409 Lots Gies was one of the biggest collector/hoarders of the 19<sup>th</sup> & 20<sup>th</sup> century. After the 1881 Haseltine Type Table came out, he specialized in U.S. Half Dollars. This was, at the time, the largest attributed sale of U.S. halves. Many of these coins were used by M.L. Beistle for his 1929 work on the subject. There are other U.S. coins offered including an altered 1854-D \$3 Gold piece ..... 75.
- 12/12/1940 Rare Coins & Medals, 87pp., 2637 Lots A typical offering of Ancients, Foreign and U.S. coins and paper ..... 30.

**PRICES REALIZED LISTS** are an important feature.

See the separate PR section.

"C.... O...." indicates either a photocopy (C) or an original (O) prices realized list is available at the listed price. All original prices realized lists are subject to prior sale.

- 12/12/1940 Another copy, (Slight water stains) ..... 20.
- 02/27/1941 Rare Coin & Medals, 44pp., 1485 Lots (Staple rust, loose covers) It's too bad that the Stack brothers didn't offer plates in all of their early catalogues. The descriptions are terse and it would be very interesting

to see examples such as an 1804 "Proof" Half Eagle, or the 1864 Proof Eagle listed only as "rare". There's a good run of modern Foreign and European Gold ..... 25.

- 07/25/1942 Preston Pond & George Fash, 40pp., 1157 Lots Nice run of U.S. material along with coins of the world including coins of the Americas ..... 30.
- 03/23/1944 Col. James W. Flanagan, 119pp., 1681 Lots U.S. and World Gold, the highlight being, of course, the 1933 Double Eagle (plated), which the United States Treasury Department deemed was illegal to own 11 years after being minted. Disgustingly, in light of recent emissions from the Philadelphia Mint, this remains the only coin considered to be illegal to own (but only in this country) by the extremely narrow minded and ignorant U.S. Treasury officials. It would be a reconciliatory gesture for them to release the 1933 Double Eagle they confiscated in a 1996 sting operation. Collectors probably won't be able to legally own this particular dated coin until after the trial is over sometime next year. The copy is **Hardbound** (Private binding), and is in **Near Mint** condition. Comes with **original PR** bound in ..... **Part HWP 125.**
- 03/23/1944 Another Copy, Soft Cover ..... 95.
- 04/22/1944 Col. James W. Flanagan & H.R. Huppe, 43pp., 1185 Lots (Disbound, taped spine) Colonials including a 1792 Washington Half Dollar, & an Uncirculated 1792 Disme in Copper. There's also a leather boxed 1915 Panama Pacific set along with a fine offering of U.S. currency including Gold Banknotes from the Grinnell collection. Too bad there were never any plates issued ..... 65.
- 06/17/1944 R.F. Carter, 16pp., 548 Lots (Disbound, taped spine) Nice run of U.S. Gold with an 1818 Half Eagle catalogued as "stars bolder than average." Interesting reading - say what?! It's a shame they didn't attribute this coin to one of the three known varieties ..... 40.
- 10/20/1944 Henry Hunt & Bruno Kisch, 47pp., 1702 Lots Nice Colonials and Store Cards, Foreign Silver. The U.S. Silver material is strong in Proof coinage. The U.S. gold is highlighted by an 1860-D Uncirculated \$1 and an 1875 Proof Quarter Eagle ..... 35.
- 12/07/1944 J.F. Bell United States & Pioneer Gold Coins, 86pp., 1073 Lots This sale was the beginning of Stack's using fabricated consignor names, which included the 1947 H.R. Lee sale and the 1951 J.H. South sales, among others. This important core sale was billed as the "Sale of the Century". Many items apparently did not sell as they were channelled through Abe Kosoff's 1948 Memorable sale ... 75.
- 05/15/1945 George H. Hall, 132pp., 2392 Lots The prospectus for this sale announces that, "This amazing catalogue is really the finest, biggest, and most desirable catalogue ever published in the American numismatic field." This, of course, is grandiose over-boasting when compared to some of the 19<sup>th</sup> century sales such as McCoy, Mickley, Cohen, and Parmelee; not to mention the 20<sup>th</sup> century offerings. This was due to Abe Kosoff selling F.C.C. Boyd's collection entitled "The World's Greatest" in the same city at the same time. Still it's a decent catalogue to have in your library ..... 45.

## **CHARLES STEIGERWALT**

**05/23/1882 Sale #5, 26pp., 974 Lots** (Disbound)  
Nice early Copper. The U.S. silver portion contains a 1796 Half Dollar and an 1858 Dollar. In the Colonials a Vermont Immune Columbian piece is offered. Steigerwalt was a forerunner in cataloguing individual collector coins. As noted in his preface, we find the following: "All trash will be excluded from this sale."..HWP 25.

**06/13/1882 Sale #6, John S. Rohrer, 18pp., 525 Lots** (Disbound) Nice early U.S.. One of the earliest appearances of an 1815 "E" counter-stamped Bust Quarter. In the Pattern section is a six-piece Trade Dollar set which is quite probably the set that appeared in Superior's May 27, 1990, Boys Town auction catalogue ..... 25.

**10/03/1882 Sale #8, 33pp., 1147 Lots** (Disbound)  
Among the nice run of early dollars is a 1798 Small Eagle 13 Stars catalogued as "extra good or fine, rare". The 1793 Half Cent and the 1796 Quarter is pedigreed to the 1882 Bushnell Collection sale..... 20.

**01/19/1883 Sale #11, G.T. McCombe, 17pp., 581 Lots** (Disbound) Among the highlights are Colonial and Fractional Currency. While one of the more interesting pieces is catalogued thusly: "Copper planchet, square, size 19, stamped with wreath of 1857-'58 nickel cents, probably die trial and unique."..... 20.

**November, 1908 Fixed Price List, \$25,000 Collection**  
12pp. Paper Money including Fractional Currency, Continental and Colonial Notes, Broken Bank Bills, Confederate Notes, etc..... 15.

## **T.R. STROBRIDGE**

(William H. Strobridge's son)

**06/17/1878 Sale #1, 40pp., 963 Lots** (Disbound, lacks covers) From the title page: American and Foreign Silver and Copper Coins, Many Rare Cents, Continental Paper Money, Postage Stamps, Antiques, Bric-a-Brac, and Minerals .....HWP 20.

**05/27/1879 Coins & Medals, 15pp., 280 Lots** (Disbound)  
Ancients, American and Foreign Gold, Silver and Copper Coins and Medals. Perhaps the most interesting is an 1836 Gobrecht Dollar catalogued as, "Good, Small hole bored above the head. Has been proof.".....HWP 20.

## **WILLIAM STROBRIDGE**

One of the earliest dealers who handled a bit of everything.

**05/26/1862 William Lilliendahl, Special Post-Sale Priced Edition, 53pp., 1230 Lots** (Front cover torn on lower corner) Prices Realized printed next to each lot. One of the very first sales in this format. An outstanding cabinet of U.S. Coins; Presidential & Political Tokens; World Gold, Silver & Bronze Coins & Medals; American Medals; Patterns; Washington Pieces; Colonials; & Electrotypes. Lilliendahl

was to gain even more notoriety in 1867 when he purchased the Mickley 1804 Dollar for \$750, a record breaking price that astounded even Mickley. This was Strobridge's first sale..... 115.

**12/28/1863 J. Wright & Dr. Francis S. Edwards, 29pp., 702 Lots** World Coins, U.S. Medals, 1836 Gobrecht Proof Dollar, 1795 Half Eagle, Colonials, English Coins ..... 30.

**04/11/1872 Benjamin Haines, 40pp., 883 Lots** American Tokens, Colonials, Early Copper, Washingtonia, Presidential & Political Medals, 1792 Half Dime, Ancients, Continental Currency, Early Catalogues, Stamps ..... 40.

**04/07/1874 Prof. Daniel E. Groux, 57pp., 1173 Lots** One of the earliest collectors. Many World Coins & Medals, especially rich in English, European & Ancients. Groux tried many times to sell his collection – even by lottery. It ended up as collateral with a lady in Washington DC who had loaned him money. .... 40.

**05/17/1875 George Stenz Collection, 236pp., 3871 Lots**  
Strobridge went blind (detached retina) while cataloguing this 3871 lot sale. Interestingly, in the introduction concerning the German coinage we read, "he has not followed blind guides" in referring to his attributions. This was the most extensive sale of its kind up to that point. This remarkable sale contains a bit of everything in numismatics. There's even a spurious 1804 American dollar offered. Overall, Very Fine condition ..... 90.

**03/19/1878 E. J. Snow, 60pp., 1067 Lots** Snow bought extensively at the 1867 Mickley sale. His collection includes impressive Early World Crowns & Medals especially rich in English; Colonials, Copper Medals, Interesting Jewelry pieces, U.S. Copper ..... HWP 30.

**03/19/1878 Another copy, Not Priced..... 20.**

## **SULLIVAN BROS. & LIBBIE**

**03/07/1883 Dr. Henry D. Fowle, 152pp., 2581 Lots** (Chipped covers, spine reinforced with tape) U.S. Coins & Medals, World Coins, Ancients, Napoleon Medals, Electrotypes, Fractional Currency. A fairly large offering for the time frame. .... 35.

## **TATHAM STAMP & COIN CO.**

**09/28/45 Auction Sale, 62pp., 1624 Lots** U.S. and Foreign Coins, Medals, Tokens, and Paper Money. This particular firm held other sales and tried their best to break into the big-time. Trouble is they couldn't manage their cash flow properly and couldn't describe their coins properly, either; examples being: 1943 Steel pennies with a weak struck "4" in date. I, myself, have seen many rolls with a weak 4 in the date. One item I have never seen or heard of is the 1942/41 Mercury Dime in Proof labeled in this particular catalogue as "a potential rarity". Fun reading..... 12.

## **UNITED STATES COIN COMPANY**

**05/20/13 Malcolm Jackson, 92pp., 1940 Lots** Complete, clear photocopy of a plated sale, w/PR, in a report binder. One of the earliest "high power" auctions of U.S. material in the first part of the 20<sup>th</sup> century. Wayte Raymond and Elmer Sears carried on the numismatic partnership tradition of David Proskey and H.P. Smith. They were both New York City partnerships selling choice material. .... 75.

### **H. E. WOODWARD**

(W.E. Woodward's son)

**11/06/1889 Stamps, 66pp., 1302 Lots** A fine selection of U.S. & World Stamps. Categories include: Revenue, Medicine, Match, Confederate, Local, License, & Playing Card; along with Envelopes & Post Cards ..... 10.

### **W. ELLIOT WOODWARD**

**01/08/1861 Sale #3, 20pp., 702 Lots** (Disbound, lacks rear cover) Early Copper, 1804 Quarter, 1815 Half, 1840 Silver Mint Set, 1847 Proof Dollar, World Coins, Colonials, Electrotypes, Medals ..... 60.

**11/18/1878 Sale #20, H.E. Woodward, 37pp., 562 Lots** (Two introduction pages cut, contents intact) Coins, Medals, and Bric-a-Brac ..... 15.

#### **\*\*\* SPECIAL OVERSTOCK PRICE \*\***

**06/17/1880 Sale #29, Gideon Searing, 34pp., 723 Lots** Interesting Bric-a-Brac such as: Indian Charms, Elephant Teeth, Polished Buffalo Horns, 3-Foot Alligator Skin, Antique Watch, Minerals, Swords, Pistols, Snuff Boxes, Pottery, Porcelain, Antique Vases, Stone Relics, Rings, Pipes, Broaches & Buckles. .... 15.

**04/04/1881 Sale #36, William Clogston, 93pp., 2556 Lots** (Detached covers) In this catalogue Woodward describes a nonover-dated 1815 Half Dollar and proclaims this date, "now rare". Another Half Dollar of 1801 is, "now quite rare". And finally, an 1824/1823 Half Dollar (?) is ultimately catalogued as being, "very rare". The 1796 Half Dollar is counter-stamped with S. Young on the face. This same coin had been pierced and the hole was unskillfully filled. Woodward relates that this defect is easily remedied. Such is the cataloguing of Woodward's later career, which lent itself to extensive numismatic liberties ..... 20.

**06/06/1882 Sale #47, The Washburn Collection, 50pp., 162 Lots** (Chipped and taped covers) A Woodward advertising slip is pasted inside front cover with bids written on reverse. One of the coins in the addenda, which Woodward catalogued without even seeing, was an 1878 Proof Dollar that sold for \$1.01; while another, the 1875 Uncirculated 20-Cent piece sold for face value. It's a good thing Woodward had already made his money in the coin business, as his later sales from 1879 to 1890 were primarily lacklustre events with many being non-numismatic..... HWP 15.

**12/29/1884 Sale #70, I.M.A. Lermann, 93pp., 1842 Lots** (Taped spine and trimmed front cover) Ancients including counterfeits, a locket of hair from George Washington, and Papal Coins & Medals are among the miscellaneous offerings. The U.S. portion includes bulk lots of John C. Schayer's Large Cents including a 1799 catalogued as, "and I think the piece is genuine, but it is sold without guarantee." The 1818 Randall Hoard Cents (29 pcs.) is similarly described as, "strictly uncirculated and in parts bright, nearly all are more or less discolored in spots." Another 198-piece lot of Canadian tokens belonging to Mr. Levick has a few location names but no attributions ..... 25.

**12/29/1884 Another copy, (Loose covers, chipped pgs)..** 20.

**12/16/1885 A.W. Matthews, J. Colvin Randall, and J.N.T. Levick, 103pp., 2536 Lots** (No covers, disbound) Levick's Copperheads by the thousands are offered in bulk lots by metal content. Naturally, Woodward fails to attribute them. Even the scarce silver pieces are offered in a bulk lot of 64 pieces. Randall's current collection of U.S. material encompasses many mint-marked silver issues. The Matthews dimes and half dimes are nearly complete. We find this catalogue is a basis for the stories about the Hartford and Rea Hoard of Half Dimes. The 1805 Half Dime Woodward catalogues thusly, "I believe it is the best example known, except Mr. Randall's specimen, which I sold in his sale... this is but little inferior to that..." Now there's a catalogue description that's as clear as mud. It's a good thing Woodward didn't start third party grading as he was blind in one eye. .... HWP 60.

**06/22/1886 Sale #85, Distinguished Amateur, 28pp., 646 Lots** Paper Money comprising Continental, Fractional, & Confederate Bills; U.S. Postage & Revenue Stamps; Post Cards & Envelopes; Autographs; Lottery Tickets; Photograph of White Slave from New Orleans..... 15.

**06/22/1886 Another copy (No covers).....** 10.

- January 1907** Numismatist, Vol. XX No. 1, 32pp. (2-hole punched) One of the more interesting passages in this particular issue is titled, "Oldest Coin Collection Recorded in the U.S.". It outlines extracts from the diary of Reverend William Bentley who, it would appear, was the very first coin dealer in this country. His main customer was Judge James Winthrop. He sold Judge Winthrop Swedish Plate Money on August 26, 1787. Later, on October 23, 1795, he created the earliest catalogue of coins of Mr. Samuel Curwin's collection for Mr. Winthrop. This catalogue far outdistances the 1828 Watkin's broadside listed by Attinelli. As numismatic bibliophiles, we should endeavor to locate a copy of this significant milestone publication ..... 25.
- April 1907** Numismatist, Vol. XX No. 4 (2-hole punched) This issue has an advertisement by H.T. VanCamp describing the first appearance of the 1870-S \$3 gold piece. This was immediately sold to New York collector William H. Woodin..... 15.
- September 1907** Numismatist, Vol. XX No. 9 (2-Hole punched) In this issue we find a write-up about the Stickney sale. It's interesting to note that Henry Chapman, the cataloguer, represented 172 mail bidders. The two highest priced items, the 1787 Brasher Doubloon and the 1804 Dollar, were purchased by "Hercules". "Mr. Chapman is mute as to the identity of Hercules, but said the sale of both pieces was bonafide." "Hercules" was Col. James Ellsworth ..... 15.
- May 1908** Numismatist, Vol. XX No. 5 (2-Hole punched) An interesting article by Eugene Courteau about Canadian Blacksmith tokens. Also included is the withdrawal from circulation of every one of the High Relief St. Gaudens Double Eagles..... 15.
- December 1908** Numismatist, Vol. XXI No. 12 (2-Hole punched) Interesting articles talk about the new Indian Head Quarter and Half Eagles. Perhaps the most intriguing article is about a coin necklace presented to Mrs. Susan Anna Siler for her 50<sup>th</sup> wedding anniversary in 1876. The solid gold necklace is comprised of 50 (!) Proof \$1 Gold pieces. The necklace, made by Tiffany and Company, is plated; but it is doubtful that these were actual Proofs as there were only 45 documented proofs struck that year..... 15.
- June 1910** Numismatist, Vol. XXIII No. 5 (Loose front cover) There is an article about Byron Reed claiming to have one of four original Confederate Half Dollars. Another announcement has W.F. Dunham offering pieces from a 1908 Gold Proof Set to the four persons proposing the largest number of new members between June 1 and December 31, 1910..... 15.
- July 1910** Numismatist, Vol. XXIII No. 6 (Loose covers and a few pages) The lead article has to do with Pattern pieces being seized by the government. Interesting background reading about John Haseltine and earlier Pattern seizures in the 19<sup>th</sup> century. Not surprisingly, there is another descriptive article issued by the Mint titled, "Amended Regulations Concerning Medals, Proof Coins, Experimental Pieces, Hubs and Dies"..... 25.
- November 1910** Numismatist, Vol. XXIII No. 8 (Loose covers with one page attached to each) In this issue we find the government case was dismissed and the seized Patterns were returned. There is also a suspension of coining the \$2½ gold pieces for circulation: "they will continue to be struck to fill orders for Proof coins." Lyman Low's ANA convention address is also reprinted ..... 15.

To compete with other buying guides such as the one listed above and the Max Mehl publications, **this pocket edition contains superb black and white plates of rare U.S. coins.** Many of these coming from S.H. & H. All pages complete and fresh with no foxing. These extremely scarce volumes provide detailed documentation about early United States financial activities. This includes Mint Director Reports from the respective years and communications from the Treasury Department to Congress. A vast amount of information on commerce is interleaved with documents on public monies, assays of foreign coins, deposits in banks, and other numismatically interesting historical information. These heavy volumes are seldom offered. Both for .....375.

- \$10 LIBERTY GOLD PIECE 1879-S CH.AU-55** Most of the flashy lustre remains. This coin is well struck and shows virtually no major bag marks on either side. A scarce date in a relatively scarce grade. Akers lists a dozen in Unc and a dozen in AU. A real sleeper in a PCGS holder .....475.

# PRICES REALIZED LISTS AVAILABLE 1860 - 1945

This is a list of all the prices realized lists we have on file for this time period. No catalogues are included in this section, though they can be found elsewhere in this fixed price list. After a listing, "C.... or O...." indicates either a photocopy (C) or an original (O) prices realized list is available and at what price. An original printed Prices Realized list is the most overlooked item in numismatics. All originals are subject to prior sale. Supply is limited to stock on hand, and prices are subject to change without notice.
